

SAMBHRAM ACADEMY OF MANAGEMENT STUDIES
ONE-DAY STUDENT SEMINAR ON “NATIONAL EDUCATION POLICY”
NOVEMBER 30, 2021

The National Education Policy launched Government of India in the year 2021 is a comprehensive framework for elementary education to higher education as well as vocational training in both rural and urban India. This policy aims to transform India’s education system by 2040. With this backdrop, there was a One-Day Student Seminar organized by our Institution.

There were three teams that participated and gave presentation on various facets of the National Education policy (NEP). Team one comprising of two students from the UG Department of Commerce and Management delved on the increased focus which NEP has on the use and integration of professional education. They threw light on the emphasis which the policy makes on the Digital India Campaign helping to transform the entire nation into a digitally empowered society. Team two consisting of two students from School of Computer Science touched upon the focus of NEP on the promotion of Indian Languages, Art and Culture. The team members mentioned about the rich cultural heritage of India and the roadmap lay down by NEP to preserve this rich culture and languages.

Team three comprised of students from the School of Management and this team focused on the challenges and hurdles in the implementation of NEP. At the end of the presentation there was a Question and Answer session. The seminar ended on the note that though there will be hiccups in the implementation of this policy; it will definitely transform the landscape of India’s education system.

All the Post Graduate students of MBA, M Com and MCA attended this Seminar along with Faculty Members who teach and guide these students.
