REPORT ON NSS ACTIVITY

Date: 12 February, 2017

The NSS wing of Sambhram Academy of Management Studies, organized one day cleanliness drive title 'Swachh Bharat Abhiyan' on March 12, 2017. As a part of it the students of SAMS took the initiative of cleaning the college campus and also the adjoining road leading to a nearby temple. College arranged a cleanliness drive in the adjoining local area to make the common people conscious about the necessity and benefits of cleanliness. At the end of the winter, a number of infectious diseases are spreading rapidly. The spread of such kind of diseases much depend on dirty condition of the area. The drive started at eleven. Fifty students of SAMS took part in the drive. Two teachers led and guided them. Some local people also joined the students and teachers. They worked for more than four hours. Watching the clean surroundings the local people became so happy that they gave words to maintain such kind of cleanliness all the time of the year. The teachers also told them about the benefits of cleanliness. At the end of the day the students became very tired, but one could find beautiful smiles on their faces as they felt proud to do something positive with their own hands for society. The participating teachers expressed their opinion about the drive that with such kind of involvements, students' mental growth would be healthy.

SAMBHRAM ACADEMY OF MANAGEMENT STUDIES
REPORT ON NSS ACTIVITY
Date: 15 February, 2021

The NSS wing of Sambhram Academy of Management Studies, organized one day cleanliness drive title 'Swachh Bharat Abhiyan' on February 15, 2021. As a part of it the students of SAMS took the initiative of cleaning the college campus and also the adjoining road leading to a nearby temple. The NSS volunteers (Students and Faculties) had removed the grass and weeds besides the divider and picked up the all plastic garbage from both sides of road. They also cleaned the temples premises by removing the dry leaves and plant twigs.

As a token of appreciation to the volunteers the temple authorities offered them buttermilk and expressed their gratitude for conducting such an activity. The learning outcome of this program was to ensure all measures to keep our surroundings clean and by throwing litter in the dustbins placed in designated places. Students are the real ambassadors of cleanliness and motivate others to keep their homes, schools, colleges and surroundings clean. "It is essential for everyone to learn about cleanliness, hygiene, sanitation and various diseases that are caused due to poor hygienic conditions. Cleanliness ensures a healthy mind and physique. It is not the responsibility of only one person rather it is the duty of every countrymen. In all 39 student volunteers along with four faculty members participated in the activity.
