INDEPENDENCE DAY CELEBRATION- 2019

Independence day program was celebrated in our college on 15th August 2019. The program started at 7:30 am with the welcome of our honorable chief guest , respected trustee of our college Sir V. Nagaraj. We all welcomed him with a round of applause and then with our Principal Sir. Our chief guest hoisted the flag at 8a.m. We all sang our national anthem “Jan Gana Mana” with great pride and patriotism. After the national anthem ended, our chief guest gave a brief speech on how we are the future of our nation and we should be responsible for our behavior and what we do to make our country proud. Youth of our country can make a name at the world level and we can be the makers of this country. After his speech ended at 9 am , we all were asked to thank him and were allowed to go and receive the sweets given by our college. Our teachers gave small introductions of the freedom fighters and gave us a lot of knowledge about the struggle faced at that time. Every story filled our hearts with emotions and patriotism as they were very heart touching and at the same time real. We all pledged to do something great for our country and make it proud.

INDEPENDENCE DAY CELEBRATION- 2018

India celebrates its 72nd Independence Day as 'Azadi Ka Amrit Mahotshav' to commemorate its freedom. **15th August, 2018** was a day of immense pride and joy for all Indians. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, to bring us the freedom, peace, and joy. Our college, celebrated the 72nd Independence Day with great pride and enthusiasm.

The day started off by distributing Hoodies to the students. Dr. K.C. Mishra, Principal, Sambhram Academy of Manangement Studies hoisted the national flag which was followed by the National Anthem. Worthy of its effort, a systematic march past was done by our students which signified methodology and Perseverance. Everyone's hearts were moved with the delivery of our principal's deeply enriching and patriotic speech.

The cultural program like Drama, Fashion show, group singing and dance was rendered to the soldiers, who spend their lives separated from friends and family, in their service to our nation.

The day came to an end with the distribution of snack boxes to all our students and staff members.

India is one of the youngest nations in the world with millions of youths joining the workforce each year. The industry is looking for a productive and skilled workforce. We are at the helm of 72 years of Independence, it seems to be the right time to evaluate and measure the growth and re-imagine where we need to be and what the path that can take us there is.

SARVODAYA DAY OBSERVATION

@

Center for Gandhian Studies, Bangalore University

January 30, 2018

The 68th Sarvodaya Day was observed across various places on January 30. Dignitaries and students from various Colleges had witnessed this auspicious program at Gandhi Bhavan, Bangalore University. Dr. Nataraj Hulyar, Director of the Centre along with the Chief Guest and other officials observed three minutes of silence to pay homage to Mahatma Gandhi and others who sacrificed their lives for the nation.

The invitees addressed the audience about M.K. Gandhi and all his achievements. A lot of emphasis was given on the movements led by Gandhi. Dr Hulyar focused on the last few days that Gandhi spent before being assassinated. He also threw light on Swach Bharath Abhiyan; various speakers shared their views about Gandhi, his childhood, Satyagraha Movements, his principles, his lifestyle and encouraged the students to follow his footsteps. All of them gave us immense examples and thrilled our minds with apt thoughts and knowledge.

At the end of the session few students from various Colleges were asked to come on the dais and share their thoughts and learning that they could imbibe from Gandhi. Students came forward and shared their views; from our College Ms Deeksha S spoke about the Gandhian Movement. Director of the Centre closed the program with a positive note by quoting some of the sayings of M.K.Gandhi. Along with Deeksha S few other M Com students from our College also participated in this program @ the University. The Open Elective "Mahatma Gandhi and the Contemporary World" read by these students as a subject in their third semester M Com has helped them immense to know a lot about Indian Freedom Struggle and even Gandhian Movement.

NATIONAL EDUCATION DAY
NOVEMBER 11, 2017
THE REPORT

National Education Day is an annual observance in India to commemorate the Birth Anniversary of Dr Maulana Abul Kalam Azad, the First Education Minister of India who served from August 15, 1947 until February 02, 1958. 'National Education Day' of India is being observed on November 11 every year since 2008 so on this occasion the commemorative program was held at our campus; for the last four years since 2014 we have been doing so. Prof. M.S. Narasimhan, Professor of Finance and Accounting and Dean Administration, IIMB was the Chief Guest to speak on the theme of "Importance of Education and Nation's Commitment". The program started with the introduction of the Chief Guest by Prof. K.C. Mishra, Principal and briefing about the program.

In his key note address Prof. M.S. Narasimhan stressed on the quality of education and not simply the importance. He said in India we have diversified education system and Government does not have clear focus towards the education system; and our educated ones lack decisiveness at the time of need. In the span of 25-30 years though drastic changes have taken place in our education system, Government has lost control and quality in education is missing with the intent of holistic development. Some key issues from Prof. Narasimhan's speech are as follows:

- Manpower is more but we have failed to deliver quality education
- Proper action plan and its implementation is lacking
- Diversified education system is in place in a vast country like ours

The keynote address was followed by Panel Discussion on the topic "Importance of Education and Nation's Commitment: Journey since Independence" by Mrs. Neena P.C Assistant Professor; Ms. Tejaswini, MBA student on the topic 'Education for Change: Social Development to Nation Building' and the other MBA student Ms. Prakriti on the topic "Educational Quality Issues and Challenges." All the panelists focused on the given theme and suggested how the present students can lead future India taking cue from the ancient system and also from the Indians who are excelling in other fields at global level. The panel discussion was followed by question-answers session. About 100 students and 30 faculties attended the program.

Ms. Neena PC talked of gaps in talent supply in higher education and what should be the objective of higher education. Her focus was mainly on quality in higher education so that our Universities can find top ranks globally; she reminded Dr Kalam's saying that Indian education

framework needs to be changed completely. Tejaswini discussed about different facets of societal change through education; whatever change occurs are they realistic? Prakriti focused on issues and challenges related to education system; she reminded of Dr Nelson Mandela who said education was the most powerful weapon to be used to change the world.

The outcome was we have to offer quality education with global standard. Teachers' accountability should increase and Education Experimentation Entrepreneurship should go hand in hand and greater thrust should be given on primary education so that the basic backbone of a student could be solidly established upon which edifice s/he builds super structure with the contents of higher education received. The program was coordinated by Prof K.C. Mishra, Principal. Prof Narasimhan was felicitated by the Principal and vote of thanks rendered by Tejaswini.

Celebration of Kannada Rajyotsava
November 27, 2021

It was a pride for everyone in the College to be a part of the celebration of Kannada Rajyotsava, also known as Karnataka Formation Day or Karnataka Day this year; not only Kannada-Speaking but others also participated in this pride-celebration. This was the day in 1956 when all the Kannada language-speaking regions of South Western India were merged to form the State of Karnataka. Aluru Venkata Rao was the first person who dreamt of unifying the State as early as 1905 with the Karnataka Ekikarana movement. In 1950 India became republic and different provinces were formed in the country on the basis of language spoken in the particular region and this gave birth to the State of Mysore including various places in South India, which were earlier ruled by the Kings. On November 01, 1956, Mysore State, comprising most of the area of the erstwhile princely State of Mysore, was merged with the Kannada-speaking areas of the Bombay and Madras Presidencies, as also of the principality of Hyderabad, to create a unified Kannada-speaking sub-national entity. North Karnataka, Malnad (Canara) and old Mysore were thus the three regions of the newly formed Mysore State.

The newly unified State initially retained the name "Mysore", which was that of the erstwhile Princely State which formed the core of the new entity. But the people of North Karnataka did not favour the retention of the name Mysore, as it was closely associated with the erstwhile principality and the Southern areas of the new State. In deference to this logic, the name of the State was changed to "Karnataka" on November 01, 1973. Shri Devaraj Urs was the Chief Minister of the State when this landmark decision was taken; other people credited for the unification of Karnataka include litterateurs like K. Shivaram Karanth, Kuvempu, Masti Venkateshalyengar, A. N. Krishna Rao and B. M. Srikantaiah.

The College campus wore a festive look that day as students wore red and yellow Karnataka Flag singing the Kannada Anthem 'Jaya Bharatha Jananiya Tanujate'; religion not being a factor, the Rajyotsava was celebrated by students of all faiths. Dr Srikantham Nagendra Shastry, Associate Professor in Kannada; Head, Department of Music and Deputy Registrar, Maharani Cluster University, Bangalore and Dr Renuka R, Head Mistress, Malleswaram Government School, Bangalore were the Key Note Speaker and Chief Guest respectively.

With usual fervor of State patriotic zeal, the program started with Naada Geethe and lighting the auspicious lamp by the Guests and then welcoming the Galaxy of Guests, students, faculty members by Prof K C Mishra, Principal with a sense of State pride; even he coined Rajyotsava with Utkal Divas of Odisha falling on April 01 and his submission of his second home being Karnataka was really heart touching, the first being his home State Odisha.

Dr Shastry focused about importance of Kannada language, its culture, sung Purandara Dasageetha and explained its meaning too. Dr Renuka recalled the challenge she has shouldered of teaching basic Kannada to others and her literary journey in Kannada. WORLD ENVIRONMENT DAY 2018-19

'World Environment Day' was celebrated by MBA, M.Com. & MCA students of Sambhram Academy of Management Studies with great fun fare on June 5. The main purpose of the celebration was to spread awareness among people and students about the need to protect the environment and the ways to do it. The day was flagged off by a tree plantation drive in the locality. Quick-growing trees, which do not need much water on a daily basis, were planted in the college. Environment-friendly articles, like disposable plates and cups made from bamboo and banana stem, bags made from leaf wastes, etc. were on sale. Students gave continuous power-point presentations on the threats to the environment. Last but not the least, was the spirited debate on the topic. 'Man: The worst enemy of the Environment'. All in all, the day was a great success, and has certainly made a difference to the way people view our environment.

WORLD ENVIRONMENT DAY REPORT – 2016-17

Every Action Counts

"Although individual decisions may seem small in the face of global threats and trends, when billions of people join forces in common purpose, we can make a tremendous difference."

World Environment Day is the opportunity for everyone to realize the responsibility to care for the Earth and to become agents of change. World Environment Day is celebrated each year on 5th June. It is celebrated in many ways like street rallies, parades; street plays which helps create awareness about world environment. In many cities contests like poster contests, essay contests, poetry contests, slogan contests and debates are held to celebrate this event further. The main objective always is to get the people involved with the environment. Some cities have art exhibitions with art made from recycled materials. Some get celebrities to endorse these campaigns. Banners are put all across the street promoting the message of World Environment Day.

Tree planting drives are also held in some cities. Awards are given out to those neighborhoods that have made a significant effort to take care of the environment.

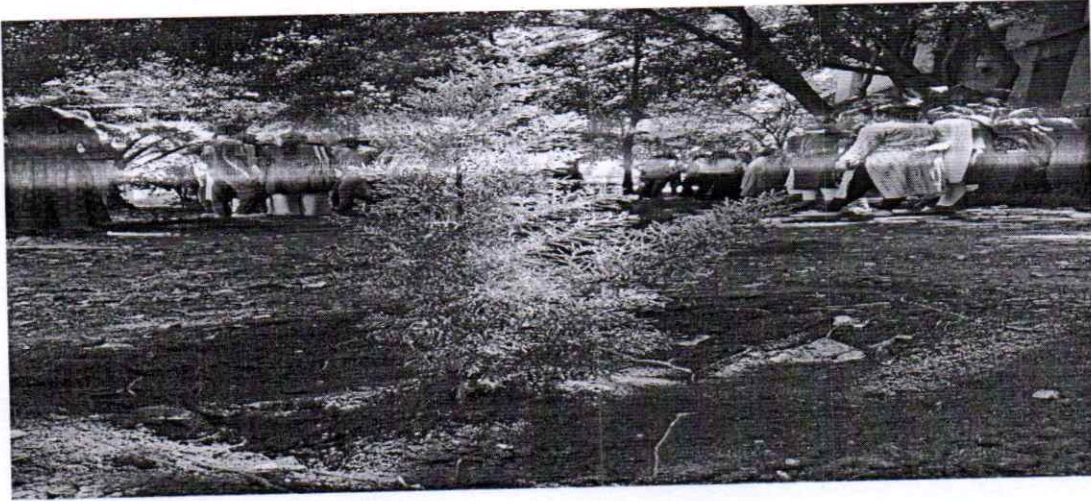

Broadcast of public service announcements on TV and radio help to renew people's efforts to saving the environment. Conferences are held to educate people about the efforts that can be made to preserve the environment.

The World Environment Day's agenda is to give importance to environmental issues. It hopes to empower people to become active agents promoting the cause of the environment.

Change can happen only if it is affected at the community level; hence programs are held on World Environment Day that creates community consciousness.

World Environment Day is a day for us to inspect the state of our environment. It calls for us to stop in our tracks one day in the year and examine our surroundings. It asks us to pledge, in a small way at least, to do something for the environment.

MBA, M.Com. & MCA Departments of Sambhram Academy of Management Studies, every year celebrates World Environment Day with great pomp and fervor in support to the environment with planting of saplings, an initiative taken by the Principal along with the students in the College premises. In lieu of this, students were inspired and motivated to plant more trees in and around their own surroundings contributing to a healthier and cleaner society which in turn will make a greener Earth.

REPORT ON WOMEN EMPOWERMENT CELL ACTIVITIES

"Women are amazing. She can put a smile on her face, act like everything is fine. When in reality, the world is on her shoulder and her life is slipping through the cracks of her fingers".

Keeping in view the growing imbalance in the man – women ratio, we have to emphasize focusing on celebrating and welcoming girl child to get rid of vicious social customs of dowry system responsible for killing of girl child, the status of women shall have to be enhanced.

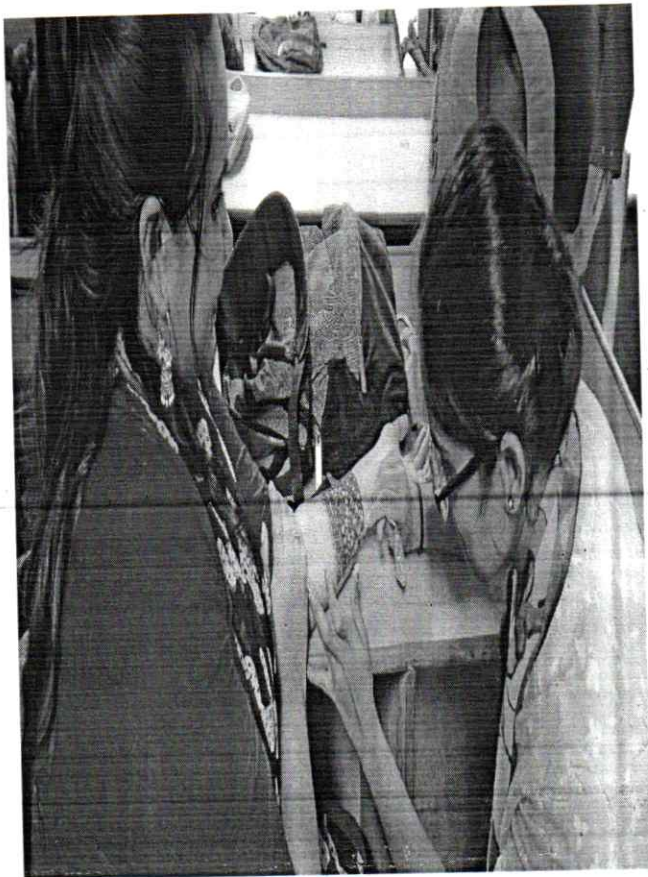

Women empowerment cell of MBA & M.Com. Department had organised the six days activities for girl students of both the Departments. From 10th to 15th September, 2018 in MBA class room LH. -2. The activities were:

1. Cooking without fire
2. Mehendi
3. Hair styling
4. Nail painting &
5. Rangoli

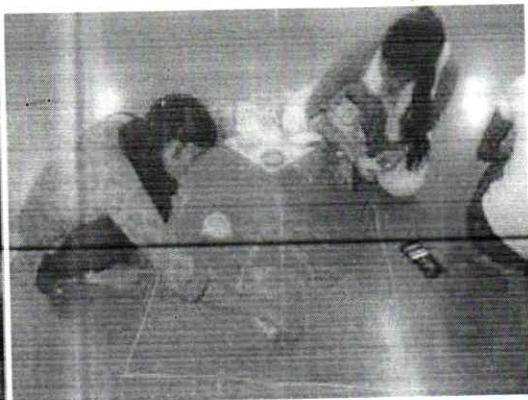

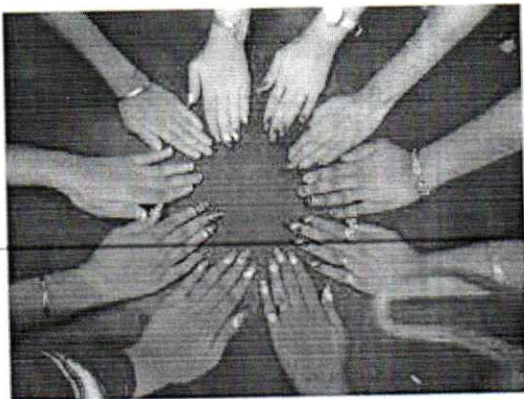

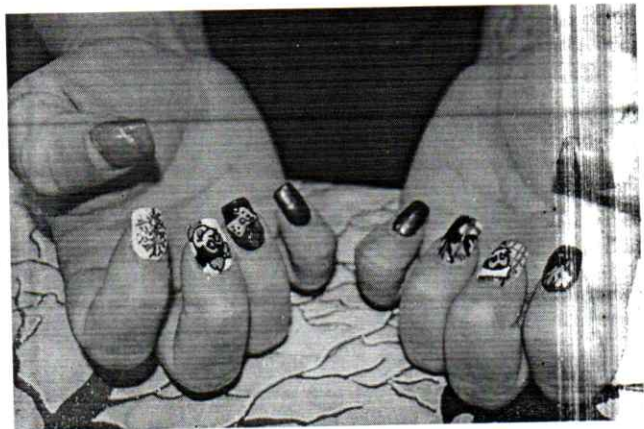

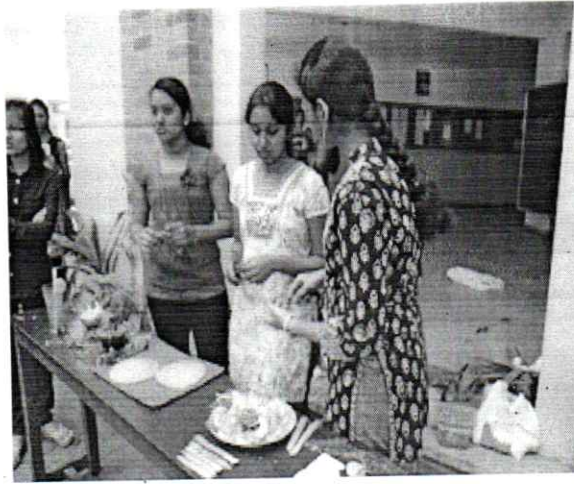

Many students had participated from both the courses. It was interesting to know that boys have participated for it. Students had done wonderful dishes without fire, amazing mehendi designs of boys and girls, extraordinary hair styles, eye smoothening nail painting and colorful rangoli's were drawn. The first 2 prizes were distributed for each competition. The prizes were awarded by Dr. K.C. Mishra, Principal, SAMS.
